Details regarding the business to be conducted at the Annual Meeting are more fully described in the accompanying Notice of Annual Meeting of Stockholders and Proxy Statement. We encourage you to carefully read these materials, as well as our Annual Report on Form 10-K for fiscal year 2015.

We are acting under a U.S. Securities and Exchange Commission rule that allows companies to furnish their proxy materials over the Internet rather than in paper form. Consequently, stockholders will not receive paper copies of our proxy materials unless they specifically request them. We believe that this delivery process will reduce our environmental impact and over time lower the costs of printing and distributing our proxy materials. We believe that we can achieve these benefits with no impact on our stockholders' timely access to this important information.

Your vote is important. Whether or not you expect to attend the Annual Meeting, please vote via telephone or the Internet according to the instructions in the Proxy Statement or the accompanying Notice of Internet Availability of Proxy Materials (the "Notice") or request a proxy card from us by email at ir@five9.com and complete, date, sign, and return your proxy card in the envelope provided, in each such case, as soon as possible to ensure that your shares will be represented and voted at the Annual Meeting. Even if you have voted by proxy, you may still vote through our virtual web conference if you attend the Annual Meeting.

On behalf of the Board of Directors, thank you for your continued support and interest.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Burkland", written over a horizontal line.

**PROXY STATEMENT
FOR THE 2016 ANNUAL MEETING OF STOCKHOLDERS**

**To Be Held Virtually via the Internet at www.virtualshareholdermeeting.com/FIVN2016
On May 18, 2016 at 8:30 a.m., Pacific Daylight Time**

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why am I receiving these materials?

We are making these proxy materials available because the Board of Directors (the “Board of Directors” or the “Board”) of Five9, Inc. (sometimes referred to as “we,” the “Company” or “Five9”) is soliciting your proxy to vote at the 2016 Annual Meeting of Stockholders (the “Annual Meeting”). You are invited to attend the Annual Meeting to vote on the proposals described in this Proxy Statement. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may follow the instructions below to submit your proxy by telephone or on the Internet or request a proxy card from us by email at ir@five9.com, and complete, sign and return the proxy card in the envelope provided.

The Company intends to commence mailing to all stockholders of record entitled to vote at the Annual Meeting the Notice of Internet Availability of Proxy Materials (the “Notice”) on or about April 5, 2016. Additionally, the Company intends to post its Annual Report on Form 10-K, this Proxy Statement and accompanying proxy card on the Internet at <http://investors.five9.com> on or about April 5, 2016. We will mail printed copies of the proxy materials to stockholders who request them.

The Company’s principal executive office is located at Bishop Ranch 8, 4000 Executive Parkway, Suite 400, San Ramon, CA 94583 and its telephone number is (925) 201-2000.

Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a full paper copy of this Proxy Statement and Fiscal Year 2015 Annual Report on Form 10-K?

We are acting under a Securities and Exchange Commission (“SEC”) rule that allows companies to furnish their proxy materials over the Internet rather than in paper form. This rule allows a company to send its stockholders a notice regarding Internet availability of proxy materials. Instructions on how to access the proxy materials over the Internet or how to request a paper copy of proxy materials may be found in the Notice. If you would prefer to receive proxy materials in printed form by mail or electronically by email on an ongoing basis, please follow the instructions contained in the Notice.

Who can vote at the Annual Meeting?

You will be entitled to vote at the Annual Meeting if you owned the Company’s common stock (“Common Stock”), either as a stockholder of record or as a beneficial owner, as of the close of business on March 24, 2016 (“Record Date”). On the Record Date, there were 51,727,185 shares of Common Stock outstanding. Holders of these outstanding shares are entitled to one vote for each share of Common Stock held by them as of March 24, 2016 at the Annual Meeting.

Stockholder of Record: Shares Registered in Your Name

If on March 24, 2016 your shares were registered directly in your name with Five9’s transfer agent, American Stock Transfer & Trust Company, LLC, then you are a stockholder of record with respect to those shares. As a stockholder of record, you may vote at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy via telephone or the Internet as instructed on your proxy card or the Notice or to request a proxy card from us by email at ir@five9.com and complete, date, sign and return the proxy card in the envelope provided to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on March 24, 2016 your shares were held in an account at a broker, bank or other similar organization, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes

[Table of Contents](#)

of voting at the Annual Meeting. As a beneficial owner, you have the right to direct that organization on how to vote the shares in your account. Please refer to the voting instructions provided by your bank or broker. Many organizations enable beneficial owners to give voting instructions via telephone or the Internet as well as in writing. You are also welcome to attend the virtual Annual Meeting and to vote online. However, because you are not the stockholder of record, you may not vote your shares at the Annual Meeting unless you request and obtain a valid proxy (sometimes referred to as a “legal proxy”) from your broker, bank or other organization.

What am I voting on?

There are two matters scheduled for a vote:

- *Proposal No. 1:* Election of the three (3) members of the Board of Directors identified in Proposal No. 1 to serve as Class II directors until the Company’s 2019 Annual Meeting of Stockholders or until their successors are duly elected and qualified.
- *Proposal No. 2:* Ratification of the appointment of KPMG LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2016.

How do I vote?

For Proposal No. 1, you may either vote “For” all the nominees to the Board of Directors, you may withhold your vote from all the nominees or you may withhold your vote from any nominee you specify. You may not vote your proxy “For” the election of any persons other than the three named nominees. For Proposal No. 2, you may vote “For” or “Against” the proposal or abstain from voting.

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote by proxy using a proxy card, vote by proxy on the Internet or by telephone as set forth in the Notice, or vote at the Annual Meeting. Regardless of whether you plan to attend the Annual Meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the Annual Meeting and vote if you have already voted by proxy.

- To vote using the proxy card, request a proxy card from us by email at ir@five9.com, and complete, date and sign the proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.
- To vote on the Internet, please follow the instructions provided on your proxy card or the Notice.
- To vote by telephone, please follow the instructions provided on your proxy card or the Notice.
- To vote at the Annual Meeting, attend the Annual Meeting online and follow the instructions posted at www.virtualshareholdermeeting.com/FIVN2016.

We provide Internet proxy voting to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your Internet access, such as usage charges from Internet access providers.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

See “Who can vote at the Annual Meeting? — *Beneficial Owner: Shares Registered in the Name of a Broker or Bank*” for voting instructions if you beneficially own shares held in street name.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of Common Stock you own as of the close of business on March 24, 2016.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted “For” the election of each of the three nominees for director, and “For” ratification of KPMG LLP as our independent registered public accounting firm. If any other matter is properly presented at the meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

Five9 will pay for the entire cost of soliciting proxies. In addition to Five9 mailing these proxy materials, the Notice and the annual report (as applicable), Five9’s directors and employees may also solicit proxies in person, by telephone or by other means of communication. Directors and employees will not be paid any additional

compensation for soliciting proxies. Five9 may reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one set of proxy materials?

If you receive more than one set of proxy materials (including multiple copies of this Proxy Statement and multiple proxy cards or multiple Notices), your shares are registered in more than one name or are registered in different accounts. Please complete, date, sign and return each proxy card to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting.

If you are a stockholder of record, you may revoke your proxy in any one of the following ways:

- You may submit another properly completed proxy card with a later date.
- You may vote again on a later date via the Internet or by telephone as set forth on the Notice.
- You may send a written notice that you are revoking your proxy to the Corporate Secretary of the Company at Five9, Inc., Bishop Ranch 8, 4000 Executive Parkway, Suite 400, San Ramon, CA 94583.
- You may attend the virtual Annual Meeting and vote online by following the instructions posted at www.virtualshareholdermeeting.com/FIVN2016. Simply logging into the Annual Meeting will not, by itself, revoke your proxy or prior vote.

If you are a beneficial owner of shares held in street name, you may change your vote in any one of the following ways:

- You may submit new voting instructions to your broker, trustee or nominee.
- If you have obtained a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares, by attending the virtual Annual Meeting and following the instructions posted at www.virtualshareholdermeeting.com/FIVN2016.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting. With respect to Proposal No. 1, the inspector of elections will count “For” votes. Abstentions and broker non-votes will not affect the outcome of Proposal No. 1.

With respect to Proposal No. 2, the inspector of elections will count separately “For”, “Against” and “Abstain” votes and broker non-votes. For purposes of Proposal No. 2, “Abstain” votes will be counted towards the vote total for such proposal, and will have the same effect as “Against” votes. However, broker non-votes are not deemed to be votes cast and, therefore, are not included in the tabulation of voting results on Proposal No. 2.

See “How many votes are needed to approve each proposal?” for further details regarding the votes needed to approve each proposal.

What is a “broker non-vote”?

If your shares are held by your broker, bank or other similar organization as your nominee (that is, in “street name”), you will need to follow the voting instructions provided by that organization on how to vote your shares. If you do not provide voting instructions, your shares may constitute “broker non-votes.” Generally, broker non-votes occur on a matter when a broker, bank, or other organization is not permitted to vote on that matter, including the election of directors, without instructions from the beneficial owner and instructions are not given.

In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote on that proposal. Thus, while broker non-votes will be counted as present for the purpose of determining the presence of a quorum at the meeting, broker non-votes will not affect the outcome of any matter being voted on at the meeting.

How many votes are needed to approve each proposal?

Proposal No. 1. Directors are elected by a plurality of the affirmative votes cast by those shares present in person, or represented by proxy, and entitled to vote at the Annual Meeting. The nominees for director receiving the highest number of affirmative votes will be elected. Stockholders may not cumulate votes in the election of directors. Abstentions and broker non-votes will not be counted toward a nominee’s total.

Proposal No. 2. Ratification of the appointment of KPMG LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2016 requires the affirmative vote of a majority of those shares present in person, or represented by proxy, and cast either affirmatively or negatively at the Annual Meeting. Abstentions will have the same effect as an “Against” vote. Broker non-votes will not be counted as having been voted on the proposal.

What are the Board’s voting recommendations?

- *Proposal No. 1:* “For” each of the nominees to the Board of Directors.
- *Proposal No. 2:* “For” ratification of the appointment of KPMG LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2016.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if a majority of all outstanding shares is represented by stockholders present at the Annual Meeting or by proxy. On the Record Date, there were 51,727,185 shares of Common Stock outstanding and entitled to vote. Thus, 25,863,593 shares must be represented by stockholders present at the Annual Meeting or by proxy to have a quorum. Your shares will be counted towards the quorum if you submit a valid proxy vote or vote at the Annual Meeting. In addition, under the General Corporation Law of the State of Delaware, abstentions and broker non-votes will be counted as present for the purpose of determining the presence of a quorum.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in a Current Report on Form 8-K within four business days following the Annual Meeting. In the event we are unable to obtain the final voting results within four business days, we will file the preliminary voting results in a Current Report on Form 8-K within four business days following the Annual Meeting, and will file an amended Form 8-K with the final voting results within four business days after the final voting results are known.

How can stockholders submit a proposal for inclusion in our Proxy Statement for the 2017 annual meeting of stockholders?

To be included in our proxy statement for the 2017 annual meeting of stockholders, stockholder proposals must comply with the requirements of Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Except as provided below, stockholder proposals must be received by our Corporate Secretary at our principal executive offices no later than December 6, 2016.

How can stockholders submit proposals to be raised at the 2017 annual meeting of stockholders that will not be included in our proxy statement for the 2017 annual meeting of stockholders?

To be raised at the 2017 annual meeting of stockholders, stockholder proposals must comply with our amended and restated bylaws (the “Bylaws”). Under our Bylaws, a stockholder must give advance written notice to our Corporate Secretary of any business, including nominations of directors for our Board, which the stockholder wishes to raise at the 2017 annual meeting of stockholders. Except as provided below, a stockholder’s notice must be delivered to our Corporate Secretary at our principal executive offices no earlier than January 18, 2017 and no later than February 17, 2017, in order to be raised at our 2017 annual meeting of stockholders. If a stockholder wishes only to recommend a candidate for consideration by the Nominating and Governance Committee as a potential nominee for director, see the procedures discussed in “Corporate Governance — Nominating and Governance Committee.”

What if the date of the 2017 annual meeting of stockholders changes by more than 30 days from the anniversary of this year’s Annual Meeting?

Under Rule 14a-8 of the Exchange Act, if the date of the 2017 annual meeting of stockholders changes by more than 30 days from the anniversary of this year’s Annual Meeting, to be included in our proxy statement for such meeting, stockholder proposals must be received by us within a reasonable time before our solicitation is made. Under our Bylaws, if the date of the 2017 annual meeting of stockholders is more than thirty (30) days before or more than seventy (70) days after the anniversary of the Annual Meeting, for stockholder proposals that will not be included in our proxy statement for such meeting, notice of such proposal must be delivered no earlier than the close of business on the one hundred twentieth (120) day prior to the 2017 annual meeting, nor later than the close of business on the later of (A) the ninetieth (90) day prior to the 2017 annual meeting or (B) the tenth (10) day

following the day on which public announcement of the date of the 2017 annual meeting is first made by the Company.

Does a stockholder proposal require specific information?

To be included in our proxy statement, stockholder proposals must comply with the requirements of Rule 14a-8 under the Exchange Act. With respect to a stockholder's nomination of a candidate for our Board, the stockholder notice to our Corporate Secretary must contain certain information as set forth in our Bylaws about both the nominee and the stockholder making the nomination. With respect to any other business that the stockholder proposes, the stockholder notice must contain a brief description of such business and the reasons for conducting such business at the meeting, as well as certain other information as set forth in our Bylaws. If you wish to bring a stockholder proposal or nominate a candidate for director, you are advised to review Rule 14a-8 under the Exchange Act and our Bylaws, as applicable, which contain additional requirements about advance notice of stockholder proposals and director nominations.

PROPOSAL No. 1
ELECTION OF DIRECTORS

The Company's amended and restated certificate of incorporation (the "Charter") and Bylaws provide for a classified Board of Directors. There are three classes of directors, with each class of directors serving three-year terms that end in successive years. Five9 currently has authorized nine directors. The class of directors standing for election at the Annual Meeting is designated Class II and currently consists of three directors, who will be elected at the Annual Meeting to serve until the 2019 annual meeting of stockholders of Five9 or until their successors are duly elected and qualified. The directors being nominated for election to the Board of Directors (each, a "Nominee"), their ages as of April 5, 2016, the date of this Proxy Statement, their positions and offices held with Five9 and certain biographical information are set forth below.

The proxy holders intend to vote all proxies received by them in the accompanying form FOR the Nominees listed below unless otherwise instructed. In the event that any Nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who may be designated by the current Board of Directors to fill the vacancy. As of the date of this Proxy Statement, the Board of Directors is not aware that any Nominee is unable or will decline to serve as a director. The three Nominees receiving the highest number of affirmative votes of the shares entitled to vote at the Annual Meeting will be elected directors of Five9. Abstentions and broker non-votes will not be counted toward an individual's total. Proxies cannot be voted for more than three individuals. For further information about how votes will be counted, please refer to the section above entitled "How many votes are needed to approve each proposal."

The following table sets forth, for the Class II nominees and our other current directors who will continue in office after the Annual Meeting, information with respect to their ages and positions held with Five9 as of April 5, 2016, the date of this Proxy Statement.

CORPORATE GOVERNANCE

Director Independence

Our Board of Directors reviews at least annually the independence of each director. During these reviews, the Board of Directors considers transactions and relationships between each director (and his or her immediate family and affiliates) and our company and its management to determine whether any such transactions or relationships are inconsistent with a determination that the director is independent. This review is based primarily on responses of the directors to questions in a directors' and officers' questionnaire regarding employment, business, familial, compensation and other relationships with us and our management.

The Board of Directors has determined that each of Jack Acosta, Kimberly Alexy, Michael Burdick, Jayendra Das, David DeWalt, David Welsh and Robert Zollars are "independent" under the applicable listing standards of NASDAQ. The Board of Directors previously determined that Tim Wilson, who resigned from our Board of Directors on September 10, 2015 in connection with the appointment of Michael Burdick to our Board of Directors, was "independent" under the applicable listing standards of NASDAQ.

As required by NASDAQ, our independent directors meet in regularly scheduled executive sessions at which only independent directors are present.

Board Leadership Structure

Our Board of Directors believes that the combined role of Chairman of the Board of Directors and Chief Executive Officer is the best leadership structure for us at the current time because it promotes the efficient and effective development and execution of our strategy and facilitates information flow between management and our Board of Directors, which are essential to effective governance. Mr. Michael Burkland, our Chief Executive Officer, is the director most familiar with our business and industry, and most capable of effectively identifying strategic priorities and leading the discussion and execution of strategy. Independent directors and management have different perspectives and roles in strategy development. Our independent directors bring experience, oversight and expertise from outside the industry, while our chief executive officer brings company-specific experience and expertise.

Our corporate governance guidelines provide that one of our independent directors shall serve as our Lead Independent Director at any time when our Chief Executive Officer serves as the Chairman of our Board of Directors or if the Chairman is not otherwise independent. Our Lead Independent Director presides over periodic meetings of our independent directors, serves as a liaison between our Chairman and our independent directors and performs such additional duties as our Board of Directors may otherwise determine and delegate. Mr. David Welsh has served as our Lead Independent Director since February 2014.

Risk Oversight Management

Risk is inherent with every business and we face a number of risks, including strategic, financial, operational, legal/compliance and reputational risks. Our management is responsible for the day-to-day management of the risks that we face. Our Board of Directors as a whole has responsibility for the oversight of enterprise risk management. Our Audit Committee is responsible for overseeing the process by which management assesses and manages our exposure to risk, as well as our major financial risk exposures and the steps management takes to monitor and control such exposures, based on consultation with our management, independent auditors and our internal auditors. The Compensation Committee reviews processes related to, and steps taken to mitigate material risks related to our compensation programs. The Board's, Audit Committee's and Compensation Committee's oversight roles are supported by management reporting processes that are designed to provide the Board, the Compensation Committee and the Audit Committee visibility into the identification, assessment and management of critical risks.

Information Regarding the Board of Directors and Its Committees

The Board of Directors has an Audit Committee, a Compensation Committee and a Nominating and Governance Committee. The following table provides membership information for each of the Board committees as of April 5, 2016:

Our Audit Committee is responsible for, among other things:

- appointing, approving the compensation of and assessing the qualifications and independence of our independent registered public accounting firm;
- pre-approving audit, review and attest services and fees and permissible non-audit services and fees from our independent registered public accounting firm;
- reviewing annually a report by the independent registered public accounting firm regarding the independent registered public accounting firm's internal quality control procedures and various issues relating thereto;

- periodically reviewing our code of business conduct and ethics; and
- reviewing the audit committee report required by SEC rules to be included in our annual proxy statement.

The Audit Committee has the power to investigate any matter brought to its attention within the scope of its duties and the authority to retain counsel and advisors at our expense to fulfill its responsibilities and duties.

Our Audit Committee is comprised of Mr. Acosta, Ms. Alexy and Mr. Burdick. Mr. Acosta is the chairperson of the committee. Our Board of Directors has designated Mr. Acosta as an "audit committee financial expert," as defined under the rules of the SEC implementing Section 407 of the Sarbanes Oxley Act of 2002. The Audit Committee met seven times during the year ended December 31, 2015.

Our Board of Directors has considered the independence and other characteristics of each member of our Audit Committee and has concluded that the composition of our audit committee meets the requirements for independence under the current requirements of SEC rules and regulations. Audit Committee members must satisfy

additional independence criteria set forth under Rule 10A-3 under the Exchange Act. In order to be considered independent for purposes of the Rule 10A-3, an Audit Committee member may not, other than in his or her capacity as a member of the audit committee, accept consulting, advisory or other fees from us or be an affiliated person of us. Each of the members of our Audit Committee qualifies as an independent director pursuant to Rule 10A-3.

Compensation Committee

Our Compensation Committee operates under a formal charter, which is available free of charge on the Company's website at <http://investors.five9.com> in the "Governance" section. Our Compensation Committee is responsible for developing and maintaining our compensation strategies and

- reviewing and approving our overall executive and director compensation philosophy to support our overall business strategy and objectives;

The Compensation Committee also has the power to investigate any matter brought to its attention within the scope of its duties and authority to retain counsel and advisors at our expense to fulfill its responsibilities and duties.

Our Compensation Committee is comprised of Ms. Alexy, Mr. Das and Mr. Zollars, who is the chairperson of the committee. Each of the Compensation Committee members meet the independence requirements set forth in the rules of NASDAQ, the "non-employee director" standard within the meaning of Rule 16b-3(d)(3) promulgated under the Exchange Act, and the "outside director" standard within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended, or the Code. The Compensation Committee met eight times during the year ended December 31, 2015.

Processes and Procedures for Compensation Decisions

Our Compensation Committee is responsible for the executive compensation programs for our executive officers and reports to our Board of Directors on its discussions, decisions and other actions. Typically, our Chief Executive Officer makes recommendations to our Compensation Committee, often attends committee meetings and is involved in the determination of compensation for the respective executive officers who report to him, except that the Chief Executive Officer does not make recommendations as to his own compensation. Our Chief Executive Officer makes recommendations to our Compensation Committee regarding short- and long-term compensation for all executive officers (other than himself) based on our results, an individual executive officer's contribution toward these results and performance toward individual goal achievement. Our Compensation Committee then reviews the recommendations and other data and makes decisions as to total compensation for each executive officer including the Chief Executive Officer, as well as each individual compensation component.

Our Compensation Committee is authorized to retain the services of one or more executive compensation advisors, as it sees fit, in connection with the establishment of our compensation programs and related policies. In 2013, our Compensation Committee retained Compensia, a national compensation consultant, to provide it with information, recommendations and other advice relating to executive compensation on an ongoing basis. Accordingly, Compensia now serves at the discretion of our Compensation Committee. Our Compensation Committee engaged Compensia to assist in developing an appropriate group of peer companies to help us determine the appropriate level of overall compensation for our executive officers, as well as assess each separate element of compensation, with a goal of ensuring that the compensation we offer to our executive officers is competitive and fair.

Compensation Committee Interlocks and Insider Participation

Ms. Alexy and Messrs. Das and Zollars served as members of our Compensation Committee during 2015. None of the members of our Compensation Committee is or has been an officer or employee of our company. None of our executive officers currently serves, or in 2015 has served, as a member of the Board of Directors or Compensation Committee (or other board committee performing equivalent functions) of any other company that has one or more of its executive officers serving on our Board of Directors or Compensation Committee.

Nominating and Governance Committee

Our Nominating and Governance Committee operates under a formal charter, which is available free of charge on the Company's website at <http://investors.five9.com> in the "Governance" section. Each of the Nominating and Governance Committee members meet the independence requirements set forth in the rules of NASDAQ. Our Nominating and Governance Committee met four times during the year ended December 31, 2015.

Identifying, Evaluating and Recommending Nominees

The Nominating and Governance Committee initiates the process of identifying and recommending Board nominees by preparing a slate of potential candidates who, based on their biographical information and other information available to the Nominating and Governance Committee, appear to meet the criteria specified below and/or who have specific qualities, skills or experience being sought (based on input from the full Board of Directors). The Nominating and Governance Committee may engage a third-party search firm or other advisors to assist in identifying prospective nominees, consider stockholder suggestions for potential nominees or re-nominate existing directors based on their continuing qualifications. The Nominating and Governance Committee limits the number of officers or employees of the Company serving at any time on the Board to maintain a majority of independent directors.

[Table of Contents](#)

After reviewing appropriate biographical information and qualifications, first-time candidates are to be interviewed by at least one member of the Nominating and Governance Committee and by the Chief Executive Officer. Upon completion of the above procedures, the Nominating and Governance Committee determines the list of potential candidates to be recommended to the full Board of Directors for nomination at the annual meeting or special meeting or to fill any vacancy. The Board of Directors selects the slate of nominees (or in the case of a vacancy, selects such nominee) only from candidates identified, screened and approved by the Nominating and Governance Committee.

- Commitment and ability to regularly attend and participate in meetings of the Board of Directors, Board of Directors committees and stockholders, number of other company boards of directors on which the candidate serves and ability to generally fulfill all responsibilities as a director of the Company.

- Good health, and ability to serve.
- For prospective non-employee directors, independence under applicable SEC and stock exchange rules, and the absence of any conflict of interest (whether due to a business or personal relationship) or legal impediment to, or restriction on, the nominee serving as a director.
- Willingness to accept the nomination to serve as a director of the Company.

Other Factors for Potential Director Nominee Consideration

The Nominating and Governance Committee will also consider the following factors in connection with its evaluation of each prospective nominee:

- Whether the prospective nominee will foster a diversity of backgrounds, skills, perspectives and experiences.
- For potential audit committee members, whether the nominee possesses the requisite education, training and experience to qualify as “financially literate” or as an audit committee “financial expert” under applicable SEC and stock exchange rules.
- For incumbent directors standing for re-election, the incumbent director’s performance during his or her term, including the number of meetings attended, level of participation, overall contribution to the Company, number of other company boards on which the director serves, and any changed circumstances affecting the individual director that may bear on his or her ability to continue to serve on the Board.
- The composition of the Board of Directors and whether the prospective nominee will add to or complement the Board of Director’s existing strengths.

Stockholder Suggestions for Potential Nominees

Our Nominating and Governance Committee oversees and assists our Board of Directors in reviewing and recommending corporate governance policies and nominees for election to our Board of Directors and its committees. Equity Compensation

For 2015, after reviewing market data of companies with whom we compete for director talent, the Compensation Committee recommended certain changes to the equity compensation for our non-employee directors, which our Board of Directors approved. In February 2015, our Compensation Committee recommended reducing the annual equity award value from \$175,000 to \$150,000. In addition, in September 2015, our Compensation Committee recommended transitioning our equity awards from a three-year vesting schedule for newly retained directors to a one-year vesting schedule.

- *New Director RSU Grant:* After our IPO and until September 10, 2015, for any individual who first became a director (other than as a result of an employee director transitioning to become a non-employee director), he or she was granted RSUs with an aggregate grant date fair value of \$300,000 (based on the per share closing market price of the Company's common stock on the date such director commenced service as a member of our Board of Directors), with the award vesting in three equal annual installments. Following September 10, 2015, the new director award will consist of RSUs with an aggregate grant date fair value of \$150,000, pro-rated for any partial year of service, vesting in full on the earliest to occur of (i) the first anniversary of the date of our last annual stockholders meeting immediately preceding the date of grant, (ii) immediately prior to the next succeeding annual stockholders meeting after the date of grant, and (iii) a change in control (as defined in our 2014 Plan), subject to the director's continued service through such earliest date.
- *Annual RSU Grant:* On the date of each annual stockholders meeting of our stockholders, each director will be granted RSUs with an aggregate grant date fair value of \$150,000 (based on the per share closing price of the Company's common stock on the date of the annual meeting). The RSUs will vest in full on the earliest to occur of (i) the first anniversary of the grant date, (ii) immediately prior to the next succeeding annual meeting of our stockholders after the date of grant, and (iii) a change in control, subject to the director's continued service through such earliest date.

PROPOSAL No. 2**RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board of Directors has selected KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016 and has further directed that management submit the appointment of the independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. KPMG LLP has audited our financial statements since their appointment in 2012. Representatives of KPMG LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither our Bylaws nor other governing documents or law require stockholder ratification of the appointment of KPMG LLP as our independent registered public accounting firm. However, the Board of Directors is submitting the appointment of KPMG LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider whether or not to retain that firm. Even if the appointment is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares present in person, or represented by proxy, and cast either affirmatively or negatively at the Annual Meeting will be required to ratify the appointment of KPMG LLP. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for the purpose of determining whether this matter has been approved. For further information about how votes will be counted, please refer above to the section entitled "How many votes are needed to approve each proposal."

Independent Registered Public Accounting Firm's Fees

The following table sets forth the aggregate fees we paid to KPMG LLP, our independent registered public accounting firm, for professional services provided during the years ended December 31, 2015 and December 31, 2014:

Audit-related fees	—	—
Tax fees ⁽²⁾	72	23
All other fees	—	—
Total fees	<u>\$ 1,006</u>	<u>\$ 918</u>

(1) Audit fees consist of fees incurred for the audit of our annual financial statements, review of our quarterly financial statements and international statutory audits.

(2) Tax fees represent fees for tax compliance and consulting services performed in the year indicated.

Pre-Approval Policies and Procedures

The Audit Committee's policy is to pre-approve all audit and permissible non-audit services rendered by KPMG LLP, our independent registered public accounting firm, and related fees. The Audit Committee can pre-approve specified services in defined categories of audit services, audit-related services, tax services and related fees up to specified amounts, as part of the Audit Committee's approval of the scope of the engagement of KPMG LLP or on an individual case-by-case basis before KPMG LLP is engaged to provide a service. All audit, audit-related and tax services were pre-approved by the Audit Committee. The Audit Committee has determined that, subject to reasonable limits, the rendering of the services other than audit services by KPMG LLP is compatible with maintaining the independent registered public accounting firm's independence.

**The Board of Directors Recommends A Vote "FOR" The Ratification Of The Appointment of
KPMG LLP As Five9's Independent Registered Public Accounting Firm For
Its Fiscal Year Ending December 31, 2016.**

Audit Committee Report

The Audit Committee of the Board of Directors currently consists of the three non-employee directors named below. The Board of Directors annually reviews the NASDAQ listing standards' definition of independence for Audit Committee members and has determined that each member of the Audit Committee meets that standard. The Board of Directors has also determined that Mr. Acosta is an audit committee financial expert as described in applicable rules and regulations of the SEC.

The principal purpose of the Audit Committee is to assist the Board of Directors in its general oversight of the Company's accounting practices, system of internal controls, audit processes and financial reporting processes. The Audit Committee is responsible for appointing and retaining our independent registered public accounting firm and approving the audit and non-audit services to be provided by the independent registered public accounting firm. The Audit Committee's function is more fully described in the Audit Committee Charter, which the Board of Directors has adopted and which the Audit Committee reviews on an annual basis.

The Company's management is responsible for preparing our consolidated financial statements in accordance with generally accepted accounting principles in the United States ("U.S. GAAP"). KPMG LLP, our independent registered public accounting firm, is responsible for performing an independent audit of our consolidated financial statements and expressing an opinion as to whether those consolidated financial statements fairly present, in all material respects, the financial position, results of operations, and cash flows of the Company in conformity with U.S. GAAP.

The Audit Committee has reviewed and discussed with our management the audited consolidated financial statements of the Company included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2015 ("10-K").

The Audit Committee has also reviewed and discussed with KPMG LLP the audited consolidated financial statements in the 10-K and the audit results. In addition, the Audit Committee discussed with KPMG LLP the matters required to be discussed by Public Company Accounting Oversight Board ("PCAOB") Auditing Standard No. 16 "*Communication with Audit Committees*", Rule 2-07 "*Communication with Audit Committees*" of Regulation S-X, and other PCAOB Rules and Standards. In addition, we received from and discussed with KPMG LLP the written disclosures and the letter, as required by PCAOB Ethics and Independence Rule 3526 "*Communication with Audit Committees Concerning Independence*," and discussed KPMG LLP's independence with them. Upon completing these activities, the Audit Committee concluded that KPMG LLP is independent from the Company and its management.

Based upon the review and discussions described above, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, that the audited consolidated financial statements be included in the Company's 10-K and filed with the Securities and Exchange Commission.

Pursuant to SEC rules, the amounts shown exclude the impact of estimated forfeitures related to service-based vesting conditions. See Note 8 of the notes to our consolidated financial statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2015 for a discussion of assumptions made in determining the grant date fair value of equity awards.
- (5) Amounts in this column represent amounts earned under our annual Executive Bonus Plan, based on the Company's achievement of corporate financial goals and the applicable NEO's achievement of individual performance goals, as selected by our Compensation Committee. - (8) Mr. Welch joined the Company on March 3, 2014 and his 2014 base salary was pro-rated accordingly.

Narrative Disclosure to the Summary Compensation Table

Cash Compensation Levels. Each of our NEOs is employed on an at-will basis. Prior to 2015, we typically made annual compensation decisions for our executives, including adjustments to base salaries, target bonus opportunities, and refresh equity grants, in the fourth quarter of each year. Therefore, the Compensation Committee determined the base salaries and target bonus opportunities for 2015 in November 2014, effective January 1, 2015. Given the cash compensation adjustments made by the Compensation Committee in connection with our initial public offering in 2014, the Compensation Committee determined that no additional adjustments to the base salaries and target bonus opportunity levels for Messrs. Burkland and Welch were necessary at that time. In connection with our hiring of Mr. Crane in 2015, the Compensation Committee set his base salary and target bonus opportunity after taking into account his compensation levels at his prior employer, internal pay equity with our other executive officers, and market compensation data provided by Compensia, the Compensation Committee's independent compensation consultant. In 2015, as part of our transition to a public company, the Compensation Committee decided to delay making decisions with respect to base salaries and target bonus opportunities for our executives until the start of 2016, consistent with the practices of the companies with whom we compete for talent.

Equity Compensation Decisions. As part of the Compensation Committee’s decision to move the executive compensation decision making process to the start of each year, the Compensation Committee did not make ordinary course equity grants to our NEOs in 2015. In connection with our hiring of Mr. Crane in 2015, the Compensation Committee granted him a standard new hire grant of stock options and RSUs, splitting the total grant date fair value evenly between the two types of awards, with vesting over four years (i.e., 25% subject to a one-year cliff, followed by quarterly vesting thereafter for RSUs and monthly vesting thereafter for options). The Compensation Committee determined the size of the new hire grants after taking into account Mr. Crane’s compensation levels at his prior employer, internal pay equity with our other executive officers, and market compensation data provided by Compensia. In addition, in connection with our decision in the fourth quarter of 2015 to promote Mr. Welch to Executive Vice President of Cloud Operations and Platform Engineering, the Compensation Committee granted Mr. Welch a promotional RSU award covering 100,000 shares of our common stock, vesting over four years (i.e., 25% subject to a one-year cliff, followed by quarterly vesting thereafter). Please see the section below entitled “Outstanding Equity Awards at December 31, 2015” for a description of the terms of the options and RSUs granted to our NEOs in 2015. All equity awards have been granted under our 2014 Equity Incentive Plan (“2014 Plan”).

Annual Non-Equity Incentive Plan Compensation Program. In February 2015, the Compensation Committee approved the terms of our annual non-equity cash incentive program for 2015. Consistent with 2014, each executive was eligible to earn cash bonuses under our annual Executive Bonus Plan, on a quarterly basis, based on our achievement of revenue and adjusted EBITDA, and, in the case of our executive officers other than Mr. Burkland, their achievement of individual performance objectives related to their role with us. Mr. Burkland’s bonus opportunity was based entirely on Company financial performance. For Messrs. Crane and Welch, their bonus opportunities were each weighted 75% for Company financial performance and 25% for individual performance. Consistent with 2014, the Compensation Committee weighted the financial performance portion of the bonus opportunity at 80% based on revenue and 20% based on adjusted EBITDA. Achievement of 125% of the revenue target would result in a maximum payout of 150% of the portion of the target bonus allocated to the revenue target. Achievement of 140% of the adjusted EBITDA target would result in a maximum payout of 180% of the portion of the target bonus allocated to the adjusted EBITDA target. Achievement below 90% of either the revenue target or the adjusted EBITDA target would result in no cash payout with respect to each such target. In addition, if we achieved less than 80% of the adjusted EBITDA target, the maximum payout on the revenue target would be capped at 100% of the target payout. The total cash bonuses earned by and paid to our NEOs for fiscal 2015 are listed in the “Non-Equity Incentive Compensation” column of the Summary Compensation Table.

Employee Benefits. We currently do not provide special employee benefits for our NEOs. We do maintain a 401(k) plan that provides eligible employees with an opportunity to save for retirement, subject to applicable annual Internal Revenue Code limits. For 2015, we did not provide any matching contributions under the 401(k) plan.

Potential Payments upon Termination or Change in Control

Our Board of Directors approved the Key Employee Severance Benefit Plan (the "Severance Plan") to provide more consistency in severance benefit rights for our executive officers upon certain qualifying terminations, whether or not in connection with a change in control. Under the Severance Plan, if an NEO's employment with us is terminated by us without "cause" (as defined in the 2014 Plan) (other than due to death or disability), and such termination is not in connection with a "change in control" (as defined in the Severance Plan), then the NEO is eligible to receive (i) a lump sum cash payment equal to 12 months (in the case of Mr. Burkland) or 6 months (in the case of Messrs. Crane and Welch) of his then-current base salary, and (ii) either payment of the premiums for his continued post-termination health insurance coverage for up to 12 months (in the case of Mr. Burkland) or 6 months (in the case of Messrs. Crane and Welch), or continued coverage under the Company's health insurance plan for up to 12 months (in the case of Mr. Burkland) or 6 months (in the case of Messrs. Crane and Welch). If an NEO's employment with us is terminated by us without cause (other than due to death or disability) or by the NEO pursuant to a "constructive termination" (as defined in the Severance Plan), and in each case, such qualifying termination occurs within three months prior to, on or within twelve months after a change in control, then the NEO is instead eligible to receive (A) a lump sum cash payment equal to 18 months (in the case of Mr. Burkland) or 12 months (in the case of Messrs. Crane and Welch) of his then-current base salary and his target annual bonus opportunity, (B) either payment of the premiums for his continued post-termination health insurance coverage for up to 18 months (in the case of Mr. Burkland) or 12 months (in the case of Messrs. Crane and Welch), or continued coverage under the Company's health insurance plan for up to 18 months (in the case of Mr. Burkland) or 12 months (in the case of Messrs. Crane and Welch), and (C) full accelerated vesting of his then-outstanding and unvested equity awards. If the payments or benefits payable to under the Executive Severance Plan would be subject to the excise tax imposed under Section 4999 of the Internal Revenue Code of 1986, as amended, then those payments or benefits will be reduced if such reduction would result in a higher net after-tax benefit to him. A participant must execute and deliver an effective release of claims and continue to comply with any applicable restrictive covenants in order to receive the payments and benefits provided for under the Severance Plan.

[Table of Contents](#)

The table below sets forth the estimated payments and benefits that would be provided to each of our NEOs upon a qualifying termination of employment under the Severance Plan on December 31, 2015.

	Company-paid health care premiums	12,172	24,343
	Value of accelerated vesting of equity awards (1)	—	1,741,749
	Total	\$ 176,047	\$ 2,185,842

(1) Amount represents the aggregate intrinsic value of the equity awards to vest upon either an involuntary termination without cause or a termination due to a constructive termination, each in connection with a change in control, which was calculated based on the closing market price of \$8.70 per share of our common stock at December 31, 2015. Note also, that if a successor entity refused to assume or replace outstanding awards at the time of the change in control, and regardless of whether the executive experiences a termination event, all such outstanding awards would become fully vested as of immediately prior to the closing of the change in control, under the terms of our 2014 Plan, in these same amounts.
